# BUILDING MATERIALS CAREERS

Make a material difference

## 6 reasons to build your future here

Explore [bmcareers.com](https://bmcareers.com)

### Vital

We're critical to construction, the built environment, and the homes and communities we all live in.

### Varied

Building Materials is a vast and dynamic sector, with thousands of different roles with hundreds of employers, where your career can take many paths.

### Potential

Build a great future from the ground up, with opportunities to progress from entry level roles to senior management, long-term career paths, competitive salaries and benefits.

### Changing

We're modernising, digitising and decarbonising construction, developing new and better products and accelerating sustainable solutions.

### Future-proof

Be part of an industry that always has been and always will be in demand, and which is helping us build a better future for everyone.

### Diverse

Join an open, friendly, supportive and welcoming community, with a need for more diverse people and skills to help us serve a wider range of needs.

# So, what are you waiting for, take the next step...
